Supporting State Schools' Relief

*Confidence
to connect*

State Schools' Relief works closely with Victorian Government schools to provide quality footwear and school uniforms to students experiencing hardship. Unemployment, homelessness, illness, bereavement and family violence can all be factors for the families and students that need our support.

State Schools' Relief is a not-for-profit Victorian charity that has the endorsement from the ATO as a charitable institution. We rely on donations from schools, individuals, foundations and businesses to fund our program. Unlike many charities, no donations are used for administration costs. This ensures that every dollar donated goes directly towards assisting underprivileged students.

Help us support the needs of thousands of Victorian students and their families. Even a small donation can make a big difference.
