

Payroll Giving

Supporting State Schools' Relief

State Schools' Relief works closely with Victorian government schools to provide quality school uniforms, footwear and educational supplies to any students experiencing hardship. Unemployment, homelessness, illness, bereavement and family violence can all be factors for the families and students that need our support.

State Schools' Relief is a not-for-profit Victorian organisation that has endorsement from the ATO as a charitable institution. Since our inception in 1930, successive Victorian governments have provided operational costs. This means that 100% of funds donated to State Schools' Relief are used to purchase clothing, footwear and other educational supplies - directly assisting underprivileged Victorian students.

Please help us support the needs of thousands of students and their families. Even a small donation can make a big difference.
